

# Vote Hansen for Caldwell-W. Caldwell school board

EDITOR:

I am writing to support Rosanne Hansen in her re-election to the Caldwell-West Caldwell Board of Education.

When Rosanne came on the board 12 years ago, I was a teacher at James Caldwell High School. At that time I was impressed with her integrity and willingness to help in all areas of education.

After 12 years, I am now a retired teacher, sometimes substitute, and a taxpayer. I con-

tinue to be impressed by Rosanne's qualifications. She is honest and approachable. She is level headed and not willing to be swayed in her convictions.

Rosanne has maintained her position on the board after her children have graduated, which shows her continued interest in our school system without a personal agenda. She will always weigh both sides of a situation, and come up with the best solution to benefit our students and

taxpayers.

Her visibility at all school events is remarkable. And her time training volunteers at the Washington School Library, and she herself volunteering, is a notable attribute. Please join me in supporting Rosanne Hansen for re-election to our Board of Education.
