

Still time to register for science program

WEST CALDWELL TWP. - Registration is still open for the 2013 Summer Science Exploration and Adventures program at James Caldwell High School on Westville Avenue.

Open to all children who have completed second through third grade, the program is designed to enrich and strengthen both academic and creative skills. Hands-on activities will allow children to directly investigate the areas of science that affect their everyday lives.

Classes include chemistry, geology, kitchen chemistry, crime scene investigation, rocketry (open to grades 5 to 8 only) and engineering.

This year the course runs from 9 a.m. to noon Monday, July 29 through Friday, Aug. 9.

The program fee is \$290 per child. Find registration forms online at www.cw-cboe.org/summerprograms, and return these to the Summer Science Workshop office at the Harrison School Building, Gray Street, W. Caldwell.
