## HIGH SCHOOL GRADUATION ISSUE

# The next generation takes off

**Thousands of excited high school seniors and their families and friends** enjoyed the festive atmosphere of graduation ceremonies during the past month and to capture the fun and enjoyment we have put together a special pictorial issue capturing the essence of a major milestone.

Inside are photos from the high school graduations from many communities covered by seven of the 17 Recorder Community Newspapers.

We also have excerpted some of the remarks we heard at various graduation ceremonies, some inspirational, some just plain funny. Look for them inside.

Our classified, auto and real estate information is the same as always.

Our regular news coverage will resume with the issue of July 11.

As always, for late-breaking news and other information about our hometown, check out our Web site at [www.theprogressnj.com](http://www.theprogressnj.com)

By the way, while you are on the Web site, sign up for our breaking news and daily e-mail blasts to stay in the know. The sign-up is on the top of the homepage.

You can also find many more photos in photo galleries on our Web sites.

Enjoy!

Graduates toss their caps at the close of commencement exercises at James Caldwell High School, top, and West Essex Regional High School, bottom.
