

Caldwell - West Caldwell Public Schools

2018 - 2019 District Goals

1. Complete the next phase of the Curriculum and Instruction revision including:
 - a. Refine alignment with New Jersey State Learning Standards;
 - b. Implement the K - 5 Language Arts Literacy curriculum;
 - c. Evaluate the K-5 Mathematics curriculum; and
 - d. Evaluate the Science curriculum.
2. Arrange for the professional development, staffing, and planning for James Caldwell High School to implement a new schedule in the 2019-20 school year.
3. Review and revise the district's technology plan including sustainable technology purchasing goals.
4. Based on the results of the November ballot initiative, develop a 5-year plan for the district's Kindergarten program.
5. Identify and implement further cost efficiencies and appropriate sources of revenue, including completion of ESIP projects for lower energy usage, pursue additional sources of revenue through grants, and explore Shared Services opportunities.
