

Dear Parents and Students,

We hope that you enjoy your summer vacation and we look forward to meeting you in September. To help you prepare for the first day, we have made this list of materials needed for your fifth grade school year.

All supplies will be required on the first day of school. Since many of these supplies will need to be replenished throughout the year, you may send in more than the required amount. We will hold them aside in a large labeled zip bag. For example, you may send in a box of extra pencils, extra post-it notes, and another highlighter. **Please label all supplies with your child's name.**

If you are ordering supplies through the HSA, they will be waiting for you in your assigned classroom.

Check off the materials as you collect (purchase) them.
