

James Caldwell High School Home School Association

2020-2021 Membership Dues

The JCHS H.S.A. and its subcommittees provide the school community with a number of activities and services throughout the school year. In addition to your dues, the HSA raises money to support our school through fundraisers. In 2019 we launched our first “Light up The Caldwell” fundraiser. We cannot thank all who contributed enough for its huge success. We are excited to announce that we will be making it a JCHS tradition and launching it again this Fall. Being in a current remote learning situation, we will not be able to provide refreshments for events presently, but we are hopeful for more in-person events later in this school year, and we plan to support these events however we are able to. This being said we cannot stress enough the importance of each family paying your HSA dues. With your help, a project we would like to raise funds for this year is to create an outdoor patio space for our students to enjoy, equipped with umbrella tables and chairs.

Last year the HSA raised the amount of the HSA scholarship from one \$500 scholarship granted to one senior to two \$1000 scholarships granted to two eligible, deserving seniors. One of the requirements for eligibility is to be current in your HSA family dues from the 2019 school year going forward.

The Project Graduation Committee conducts its own fundraising throughout the year to provide memorable activities for seniors, including drug/alcohol-free entertainment the night of graduation. This year our senior parent volunteers are working hard and being creative to plan senior events and have a few different options that conform to the rules of social distancing “just in case” the current situation remains.

With your generous support last year, the HSA was able to present our 2020 seniors each with an individual gift, and honor them with a beautiful banner that is still displayed at Bonnel Field.

The Home and School Association’s commitment to making each school year memorable for our students and community members is dependent upon your support through your dues and volunteerism.

Membership dues for the JCHS H.S.A. are \$20.00 per family.

Please use [MySchoolBucks](#) to submit your payment. If you have any questions, please contact HSA President Louise Fredo at 77louisef@gmail.com or V.P. Janine Cerreto at pjb898@aol.com.

As always, we sincerely thank you for your continued support.
