2020 - 2021

Mrs. Christina Johansen

Hello! My name is Christina Johansen, and I am thrilled to welcome you and your family into room 207 (virtually and physically) this year! This is going to be my first year as a Washington Wildcat and I cannot wait!

I have lived in Montville, NJ most of my life. I went to Montville High School and graduated from Quinnipiac University in 2014 with my degree in accounting. I went back to graduate school at Montclair State University where I completed their alternate route education program.

Although this is my first year at Washington, I have previously taught 2 years at a charter school. I absolutely love teaching! It is my mission to instill a love for learning in all my students. Please let me know if you have any questions or concerns. It is so important to keep communication open between us. I look forward to a great year together!
