FOR SOCIAL RESPONSIBILITY

January 2016

Dear Caldwell/West Caldwell Parents,

The West Essex YMCA offers a **Kindergarten Enrichment Program** for families who require extended care before or after their child's Kindergarten school day. We provide a safe and caring environment, where your child can learn and have fun. Our Kindergarten Enrichment Program reinforces skills that the children are currently learning in the Caldwell/West Caldwell district Kindergarten Program and offers opportunities to grow in spirit, mind and body through a variety of academic and enrichment activities.

The Kindergarten Enrichment Programs is located at the Harrison Building, 104 Gray Street in West Caldwell. We offer an AM Kindergarten Enrichment Program from 8:30am until 11:30am, a PM Kindergarten Enrichment Program from 12:15pm until 3:15pm; and After Care runs from 3:15pm until 6:00pm. We provide supervised bus transportation from your child's Kindergarten home school to the program, including supervision from school dismissal until bus pick up. Before care is also available at all of the elementary schools – Jefferson, Lincoln, Washington and Wilson.

If you are interested in any of the above listed programs, fill out the form below and return it to: **West Essex YMCA, 321 S. Livingston Ave, Livingston, NJ 07039, Attn: Ava R. Collazo.** If you have any questions regarding these programs, please feel free to contact **Ava at (973) 992-7500 ext 103** or email acollazo@metroymcas.org.

Please remember that this is an interest sheet only. Your child is not registered in any program, nor are you under any obligation at this time, until the completed enrollment forms and initial payment is received. We will be contacting all parents by email with registration information in April. Spaces are limited. **Registrations are on a first come, first serve basis and fill up quickly. Registrations will open May 15, once you have received your child's kindergarten designation from your home school.**

Sincerely,

Joanne Browne
Senior Director of School Age Child Care
