January 2015

Dear Caldwell/West Caldwell Parents,

The West Essex YMCA offers a **Kindergarten Enrichment Program** for families who require extended care before or after their child's Kindergarten school day. We provide a safe and caring environment, where your child can learn and have fun. Our Kindergarten Enrichment Program reinforces skills that the children are currently learning in the Caldwell/West Caldwell district Kindergarten Program and offers opportunities to grow in spirit, mind and body through a variety of enrichment activities.

The Kindergarten Enrichment Program is located at the Harrison Building on Gray Street in West Caldwell. We offer an AM Kindergarten Enrichment Program from 8:30am until 11:30am, a PM Kindergarten Enrichment Program from 11:30am until 3pm; and After Care runs from 3:00pm until 6:00pm. \*Before care programs are also available, (\*will only run if minimum enrollment is met). We provide supervised bus transportation from your child's Kindergarten home school to the program.

If you are interested in any of the above listed programs, fill out the form below and return it to: **West Essex YMCA, 321 S. Livingston Ave, Livingston, NJ 07039, Attn: Ava R. Collazo.** If you have any questions regarding these programs, please feel free to contact **Ava at (973) 992-7500 ext 103** or email [acollazo@metroymcas.org](mailto:acollazo@metroymcas.org) .

**Please remember that this is an interest only sheet.** Your child is not registered in any program, nor are you under any obligation at this time, until the completed enrollment forms and initial payment is received. We will be contacting all parents by email with registration information in April. Spaces are limited. **Registrations are on a first come, first serve basis and fill up quickly. Registrations will be accepted after May 15, once you have received your child's kindergarten assignment from your home school.**

Sincerely,

*Fran Egnezzo*

Enrichment Director
