## **ARTICLE IV APPEAL PROCEDURE**

### **A. PURPOSE**

To establish the procedure by which persons represented by the Administrators' Association of the Caldwell-West Caldwell Public Schools (hereinafter referred to as Administrators) may appeal the interpretation, application, or alleged violation of policies, agreements, or administrative decisions affecting them.
2. To secure, at the lowest possible organizational level, equitable solutions to the problems which may arise affecting the terms and conditions of employment of Administrators.

### **B. PROCEDURE**

1. The processing of an appeal is to be as informal and confidential at each level of this procedure as may be appropriate. Each Administrator shall have the right to make an appeal in accordance with this procedure informally with any appropriate member of the administration and have the matter adjusted without intervention of the Association, provided the adjustment is not inconsistent with agreements between the Board and the Association or established policy affecting the terms and conditions of employment of Administrators.
2. In the event that a matter being appealed is not resolved to the satisfaction of the Administrator making the appeal at the informal level, said Administrator may request representation by the Association in which case the Association may, within ten (10) school days of having been informed of the matter being appealed, submit the appeal, in writing, to the Superintendent of Schools who shall be requested to meet with the Administrator who initiated the appeal and the Association representative to attempt to arrive at a mutually satisfactory solution.
3. The Superintendent shall, within ten (10) school days after meeting with the Administrator and the Association representative, render a written decision to the Administrator who initiated the appeal and to the Association.
4. In the event that the matter in dispute pertains to established Board policy or to matters of agreement between the Board and the Association and should the Administrator who initiated the appeal be unsatisfied by the decision of the Superintendent, the Association may, within ten (10) school days after the written decision of the Superintendent has been rendered, appeal the matter to the Board of Education.

## **APPEAL PROCEDURE – CONTINUED**

5. Within fifteen (15) school days after receipt of written notice of appeal from the Association, a committee of the Board shall meet with the parties involved in the unresolved matter in dispute for the purpose of hearing the appeal and reviewing the decisions rendered on the matter.
6. Within ten (10) school days after the meeting described in section 5 above or within ten (10) school days after any formal meeting of the Board which may be required in the case of appeal, the Board shall render a written decision to the Administrator initiating the appeal with a copy to the Association.
7. Should both the Board and the Association be willing, appeals to the Board made in accordance with this procedure may be presented to a neutral party agreeable to both parties for purposes of attempting to obtain settlement by the parties. Decisions or recommendations made by the neutral party shall not be binding on either the Board or the Association. The fees and expenses of this neutral party will be shared equally by the Board and the Association.

Leave shall be granted only by the Board of Education.

Sabbatical leave may be granted for the purpose of study, travel, or educational activities that will enhance the professional improvement of the Administrator and benefit the school system.

All tenure rights belonging to the applicant at the time the application is approved shall be retained, and the period of such leave shall be continued as regular service for purpose of retirement. Contributions to the New Jersey Pension and Annuity Fund shall be continued by the Board of Education and the appropriate amount deducted from the salary due the applicant.
