OUR MISSION

- Facilitate two-way communication between C/WC families and the district on educational matters that affect students with special needs;
- Enable parents and guardians to have their voices heard by the Board of Education on systemic issues relating to students with disabilities;
- Provide information and resources for families of children with extra needs;
- Establish a forum for the exchange of support and advice between parents, advocates, and other groups;
- Ensure that all families are included and represented by the SEPAG, whether their kids attend school in or out of district.

In order to foster a safe space for sensitive or private discussions, SEPAG meetings are "Family Only,"

Some meetings will include a district representative for a portion of the time to hear our voices.

SEPAG representatives will also meet with the district regularly to update them on initiatives, requests, suggestions, and to develop action timelines.

The C/WC Family SEPAG exists for **ALL** Caldwell/West Caldwell families* of children with extra needs.

Your child does not need to have an in-district placement for families to be part of this group.

* "Families" includes parents, grandparents, guardians, or anyone else caring for a child(ren) with an IEP/504 plan in the C/WC school district.
