

Caldwell - West Caldwell Public Schools

2020 - 2021 District Goals

1. Identify and Meet the Academic Needs of Our Students

Given the challenges of the COVID-19 pandemic:

- a) Assess student achievement and potential learning loss from spring 2020;
- b) Set and achieve appropriate learning goals; and
- c) Provide technology, resources, and professional development to support Remote, Hybrid, and in-person components of the district's educational program.

2. Identify and Meet the Social-Emotional Needs of Our Students

Given the challenges of the COVID-19 pandemic:

- a) Provide appropriate resources and support; and
- b) Complete Year 2 of the Comprehensive Equity Plan including apprising instructional practices that support social-emotional learning.

3. Engage in Strategic Planning for 2021-22, 2022-23, and 2023-24

- a) Engage in dialogue about Mission, Vision, Core Values, and past successes and areas for growth;
- b) Determine areas of focus for coming three years; and
- c) Draft a Referendum Proposal to support the district's future work.

4. Appoint a New Superintendent of Schools

Board Approved September 21, 2020
