Your health benefits are determined based on your years of service.

Up to 1 year before your retirement date, complete your retirement application in MBOS.

<https://www.nj.gov/treasury/pensions/mbos-intro.shtml>

You can resubmit your MBOS application up until one month after your retirement date.

At least 3-4 months before your retirement date, submit a letter of resignation, for the purpose of retirement, addressed to the Superintendent and copy Angela Tobey. Your resignation will need to be board approved before the district will send Pensions your Certification of Final Salary.
