YOU DECIDE EVERYTHING

HOW TO TRACK YOUR READING:

Decide if you want to track minutes, number of books, or number of pages!

HOW CHALLENGING OR EASY YOU WANT TO MAKE YOUR GOAL

EXAMPLES: Do you want to re-read all the Percy Jackson books? Do you want to read before bed a few nights a week? Do you want to read your school's summer reading book(s) by a certain date?

WHAT TYPE OF BOOK/ MEDIA YOU CONSUME

Print and Digital, audiobook, novels, short stories, graphic novels, comic books, non-fiction books, newspaper articles...it's completely up to you! And, no, they do not have to be books borrowed from the Library!

CHOOSE HOW TO KEEP TRACK OF YOUR GOAL. Be as traditional or creative as you want! This is what you'll share to prove you completed the challenge too!

For example:

- Write a short book review about your favorite or least favorite book
- Keep a written list of the books you read
- Record a video sharing your reaction to an article or story you read
- Draw a picture about a story you read
