

Part I: Define *and* explain the significance of each item/term below. Every answer should be written in complete sentences, in your own words and showcase a thorough understanding of the term *and its greater significance*. **For the definition** you should include time frames (if applicable), causes (if applicable), main figures (if applicable). **For the significance**, think about the political, economic, social, religious, et cetera effects of the term. Also consider what the item reveals about Medieval society.

Term	Definition/Explanation	Significance
Great Famine		
Black Death		
Flagellants		
Hundred Years War		
Representative Assemblies		
Babylonian Captivity		
Great Schism		
Conciliarists		
Confraternities		
Jacquerie		
English Peasants' Revolt		
Statue of Kilkenny		

Part II: Answer the focus questions from each section of the chapter. Make sure to answer ALL parts of each question.

1. How did climate change shape the late Middle Ages?
2. How did the plague reshape European society?
3. What were the *causes* and *effects* (political, economic and social) of the Hundred Years' War?
4. Why did the church come under increasing criticism? Be specific.
5. What explains the social unrest of the late Middle Ages?

Part III: Answer the following summative questions.

1. What does Meister Eckhart's life tell us about the religious climate of the early fourteenth century?
2. Make 2-3 predictions about how the changes that occurred during the Late Middle Ages **will impact** the next historical time period. Make sure to explain why you think your predictions are accurate.
