May 3, 2022

This week Sunday, May 1, 2022 through Saturday, May 7, 2022 is Teacher Appreciation Week. Albert Einstein said, “It is the supreme art of the teacher to awaken joy in creative expression and knowledge.” Please join me in thanking our extraordinary educators for their dedication, flexibility, commitment, resilience, and care throughout these challenging times. They all do so much to support, guide, educate, and encourage our students by creating space for creative expression and learning each and every day.

Sincerely,

Christopher Conklin
