Dear Caldwell-West Caldwell School District Families,

As noted in my message on October 14<sup>th</sup>, the updated draft Health and Physical Education (PE) curricula were posted on the district website with a Google Form to allow you to share your questions and comments (<https://www.cwcboe.org/domain/45>).

Thank you to everyone who completed the form. The Board of Education and the administrative team appreciate your partnership. The district will continue working to review and make adjustments in alignment with the New Jersey Student Learning Standards (NJSLS) to ensure our finalized curricula meets the NJSLS and supports our school community's needs.

By this time, you should have received an invitation from the principal(s) of your child's school(s) for an optional in-person meeting. At this meeting, the Health/PE teacher(s) will address comments and questions from the Google Form and your Principal will explain the opt-out process. Families of currently enrolled students are welcome to attend. Please reach out to your building Principal if you have not yet received your invitation for this optional meeting.

Thank you for your continued support and partnership.

Sincerely,

*Christopher Conklin*
