

Important School District Message

April 6 update

Dear CWC School Community,

I hope that everyone has a restful break this week. Below are updates for Monday, April 6.

take care,

James Heinegg

1. Condolences for the Brown Family

Letters or correspondence to the Brown family can be directed to the following address:

Brown Family c/o
Krista Grinkin and Debbie Santulli
Grover Cleveland Middle School, 36 Academy Road, Caldwell, NJ 07006

GCMS staff will personally ensure that each of these letters are safe to deliver to the home. Additionally, they plan on creating meaningful memory books for each member of Jim's family. These letters along with the many memories, photos, poetry etc. which have been shared by colleagues at GCMS and within the district will also be a part of this memory book, so a central location for all items is easier. Pictures, drawings, poetry and letters are all encouraged and accepted. There is no wrong way to show your care and concern for the family and to honor Mr. Brown's memory. Thank you so much for your support and concern.

2. NJTV classes for students in grades 3 - 6

Today, Monday, April 6, NJTV begins broadcasting lessons for students in grades 3 - 6. Although the district will be on Spring Break, children and/or parents may be interested in checking these out. For more information, [please see NJTV's web site](#).

3. A message from our nurses

It is difficult to keep up with the rapidly evolving situation regarding COVID-19. Please visit the link below for the latest recommendation regarding the use of face coverings. There is also a link to watch the U.S. Surgeon General make a face covering in a few easy steps that you can do at home.
