

Important School District Message

May 4 update

Dear CWC School Community,

I hope that you and your family are doing well.

This week, May 4 - May 8, is Teacher Appreciation Week. While the critical importance of teaching is something we always try to keep in mind, the global pandemic has certainly illuminated for everyone just how vital, and just how challenging, that work is. Over the past several weeks, many parents have reached out with messages of thanks to our teachers, and I know those expressions of gratitude mean the world to our staff. Best wishes to everyone for a great week!

Our Class of 2020 seniors have begun to decide what they are going to be doing next year. Check out [this online display](#) of JCHS senior college plans. Congratulations to these wonderful young men and women!

This afternoon, Governor Murphy is expected to make an announcement about the status of schools. We will keep everyone posted regarding any next steps.

Sincerely,

James Heinegg
