

Important School District Message

May 11 update

Dear CWC School Community,

I hope that you and your families are remaining safe and healthy.

NJ schools have recently received clarifications from the NJDOE, the NJ Office of Emergency Management, and other officials regarding what is and is not allowed with respect to end-of-school-year events. This statement from the Office of Emergency Management summarizes those views:

"In light of the components of Executive Order 107, and in the best interest of the health and safety of the public, in-person ceremonies, including graduations, all parades, including "wave parades," that invite people to gather at a certain location, proms, and other similar celebrations violate the enumerated conditions of the order, and should therefore be cancelled or postponed until such time as these restrictions are lifted. Until such time, virtual celebrations and other remote forms of recognition should take the place of any in-person or public ceremonies."

We are therefore planning only virtual/video end-of-year programs at this time. We will keep you posted on any developments.

Sincerely,
James Heinegg
