

Important School District Message

May 12 update

Dear CWC School Community,

I hope everyone is remaining safe and healthy. Below are two notices/updates for today.

Sincerely,

James Heinegg

1. Changes to school calendar.

At yesterday evening's meeting, the Board of Education approved the following changes to the 2019-20 school calendar:

- Tuesday, June 2 will be a Remote Learning school day.
- The last day of school will be Wednesday, June 17.

2. Information from the Caldwell Public Library.

The Caldwell Public Library continues to be here for our students and families. Please visit us at www.caldwellpl.org. Our website is work in progress to focus on current services, so if you have any questions or are not seeing information you need, please email us at librarian@caldwellpl.org.

Take Our Survey

During our current crisis, we want to do everything we can to help the Caldwell community. Please take a few minutes to complete this survey. The results will guide us through the "new normal" and beyond. All Caldwell and West Caldwell residents are invited to take the survey, whether they previously used the Caldwell Public Library or not. Everyone's input is important as we are all in this together. The First Responders Project

Join us in a town-wide art project honoring Caldwell's First Responders. These heroes have been on the front lines from the beginning and we know your art and positive messages will make them smile. Art will be displayed on the buildings of the West Essex First Aid Squad, Caldwell Police Department, and Caldwell Fire Department and on the town and library websites.
