At Monday evening's meeting, the Board of Education approved the following changes to the 2019-20 school calendar:

Applications can be submitted to the school nurse. The nurses are at Harrison and the four elementary schools on Mondays and Thursdays between 11am and 12 noon. Paper applications are also available from the school nurse. Please contact Maryann Rivera, mrivera@cwcboc.org with any questions.

3. REMINDER: Biking and Walking message from Safe Routes to School NJ.

May is celebrated as Walk and Bike to School Month in New Jersey. We might not be able to get together to walk and bike to School this year, but May is still a great time to focus on safety and get ourselves and our bikes ready to walk and roll. We are celebrating Walk and Bike to School Month this May by promoting a themed series of ideas and resources for both parents and students to learn about bicycle and pedestrian safety, stay physically active, and learn about ways to help make our communities more bikeable and walkable.

Each Wednesday in May, look for an email or check our social media to find out what that week's theme is and what you can do to stay ready to walk and roll!
