

### 3222 EVALUATION OF TENURED TEACHING STAFF MEMBERS

The Board of Education recognizes that the continuing evaluation of tenured teaching staff members is essential to the achievement of the educational goals of this district. The purpose of a program of evaluation will be to promote professional excellence and improve the skills of tenured teaching staff members, improve pupil learning and growth, and provide a basis for the review of teaching staff member performance. The Board will provide leadership, adequate resources for supervision and professional development, time for the proper conduct of evaluations, and time for in-service training.

Each tenured teaching staff member except the Superintendent and administrators, who will be evaluated in accordance with Board Policy Nos. 1240 and 3223, shall be evaluated annually by appropriately certified and trained administrators or supervisors against criteria that evolve logically from the instructional priorities and program objectives set forth in the teaching staff member's job description.

The Superintendent shall develop, in consultation with tenured teaching staff members, job descriptions and evaluation criteria for each teaching staff member position. Job descriptions will be clearly and concisely stated and will be provided to the Board for its information.

The Superintendent shall distribute to each teaching staff member, no later than October 1 of each school year, a copy of this policy and the teaching staff member's job description and evaluation criteria; any amendments made subsequently to these documents will be distributed no later than ten days after their adoption.

The Superintendent shall develop, in consultation with teaching staff members, procedures for the evaluation of tenured teaching staff members that include, as a minimum:

1. The collection and reporting of data that is appropriate to the job description and includes as a minimum the observation of classroom instruction;
2. Observation conferences between the tenured teaching staff member and the evaluating supervisor;
3. The preparation of individual professional improvement plans;

4. The preparation by the supervisor of an annual written performance report, which shall include the teaching staff member's performance areas of strength and weakness, an individual professional improvement plan developed by the member and the supervisor, and a summary of the results of formal and informal assessments of the member's pupils along with a statement as to how these pupil indicators relate to the effectiveness of the overall program and to the member's performance;
5. The conduct of an annual summary conference between the supervisor and the member that will include a review of the member's performance, progress toward the objectives set forth in the professional improvement plan developed at the previous annual conference, pupil assessments and growth toward program objectives, and the written performance report prepared by the supervisor; and
6. The signing of the annual written performance report within five working days of the annual summary conference and the provision that the member may, within ten working days of the signing of the report, augment the report with additional performance data.
