

### 9191 BOOSTER CLUBS

The Caldwell-West Caldwell Board of Education appreciates the efforts of parent(s) or legal guardian(s) and other concerned citizens who form community-based organizations for the purpose of supporting district approved extracurricular activities for pupils.

Booster organizations shall have as their objectives the promotion of approved pupil activities, the development of close relationships between the home and school, and the development of such united efforts as will secure for every pupil in the community the best kind of educational program possible. Membership in such groups shall be voluntary, and no booster organization shall be held to represent the Caldwell-West Caldwell school district.

The Superintendent shall formulate procedures for the approval of booster organizations and the activities which they conduct.

Fundraising events and activities organized by school booster organizations for school programs, pupil scholarships, or equipment shall qualify for free use of school facilities providing the goal of each is approved by the building principal and is consistent with the educational objectives of the district.

Proposed gifts from such groups shall be subject to the conditions stipulated by Board policy.

Adopted: 10 December 2012
